Choose a Gift, Change a life!

The gifts in this year's catalog were uniquely chosen to have the greatest impact on children, families, and communities. Your gifts will be delivered around the world by Purpose Church missionaries and mission partners in the field who know the people being served. Each gift you choose will bring hope to someone in need.

How to choose your gifts:

1. As you look through the pages in this catalog, select the gifts that touch your heart.
2. Complete the My Gift Order Form on page 15.
3. Select one of our three easy payment options.
4. To honor someone by sending a gift in their name, pick up a customizable note card to let them know of their honorary gift.

Change a Child's Life

As little as \$1 can change a child's life through these partners. This is a great opportunity to encourage our children to give to impact the life of a child in need in another part of the world.

CHRISTIAN BIBLE SCHOOLS **India**

For ten days, children from the least-reached areas of India happily come to Christian Bible School (CBS) where they sing, play, do crafts, and learn about Jesus. A majority of the children who attend CBS accept Jesus as Lord.

KIDS CAMP **Mexico, Peru, Zambia**

Kids Camps are the best outreach to neighborhood children who may not otherwise go to a church. Our partners are ready and excited to do these camps but are limited by resources. Your partnership with them will impact children for eternity.

\$5
per pair

SHOES FOR STREET KIDS **DR Congo**

In the DR Congo there are children who are abandoned and live on the street. Many do not have shoes, leaving them vulnerable to disease and injuries. Our ministry partner distributes shoes through their Sunday School program, ministering to the kids practically and spiritually.

\$20
a month
per child

MONTH OF LUNCHES FOR A CHILD **Laos, Mexico, DR Congo**

A nutritious lunch, often the only meal for a child's day, can make a life or death difference in the lives of children living in the barrios or on the streets. Our missionaries find that providing a daily meal to the most vulnerable children helps prevent human trafficking, abuse, and illiteracy.

SEND A CHILD TO CHRISTIAN CAMP **Pakistan**

Many children discover who Jesus is and develop a closer relationship with Him at Christian Camps. Muslim families will eagerly send their children if the camp fees are covered, so this is a strategic gift for building God's Kingdom.

\$20
per child
to camp

PARTY AND GIFT FOR AN ORPHAN **Kenya, DR Congo**

At an orphanage, one of the few times a child receives something new, including clothes, is during Christmas or their birthday. Ensure that each child receives a present and a party through your gift.

SATELLITE SCHOOL FOR CHILDREN Middle East and North Africa

With the advent of war and unrest, millions of displaced children have no opportunities to attend school. Our partner works on the goal to give every child in the Middle East a brighter future. SAT 7 Kids provides daily satellite broadcasts for children to be educated while they wait to return to their homes. Just \$1 keeps a kid in school for one year.

equipment

BALLS AND SPORTS EQUIPMENT Laos, Peru, Zambia

Sports is a great way to reach children who are falling through the cracks on the streets or in school. Soccer balls, team uniforms, and other equipment make this possible for our partners.

SCHOOL UNIFORMS AND SHOES

**Congo, Kenya, Laos, Mexico,
Philippines, and Zambia**

In some countries, children may not attend classes unless they have the proper school uniform and shoes. Impoverished children delay schooling until the family can afford the uniforms; often, completely missing out on an education.

\$30

shoes

HAIRCUTTING KIT Laos

A simple wash and haircut can be the difference between acceptance or rejection at school for children living in the slums. With good haircutting equipment, the caregivers at the HOPE Center will be able to cut the children's hair and help others in the community.

\$35
per kit

SPONSOR A CHILD Kenya, Laos, Mexico, Pakistan, Thailand, DR Congo, Zambia

Our partners work with at-risk children to provide education, meals, health and hygiene support, and sometimes a home. For \$40, you can help a child for one month. With a yearly commitment, you can give lasting security to that child.

\$40
monthly

Feed a Family

CHICKENS **Zambia, Philippines**

Raising chickens provides income and protein to help impoverished families feed their children and keep them in school.

\$5
per chicken

\$50
per family

FOOD FOR AN AIDS-STRICKEN FAMILY **Kenya, Zambia, and Congo**

AIDS continues to claim the lives of many in Africa. Our partners provide food and funds to parents and grandparents too ill or too elderly to work, thus enabling their children to go to school instead of having to work to feed the family.

GOATS AND PIGS **Philippines**

One way for resource-poor children to go to school without sponsorship is to provide the family with income-producing livestock, like goats and pigs. Your gift of an animal brings dignity to the family, needed nutrition, and educational opportunities for the children.

\$50
per animal

FISH POND BUSINESS
Philippines

In remote areas, fish ponds can be a good source of income to families living in poverty. Fish multiply quickly and can help lift a family to self-sufficiency.

\$100
per pond kit

CLEAN WATER
India and Zambia

600,000 children under the age of five die in India each year because of inadequate water supply and poor sanitation. With our partners in India and in Zambia, we can provide wells with clean water for \$1500 each. Each well has a clean water source and is sealed so that there is no contamination. Hundreds of families will benefit from each clean water source.

Empower Women

In many countries, women are still stigmatized as property and exploitable. Women can quickly change their status in life by gaining an education or a vocational skill.

FREE A GIRL FROM HUMAN TRAFFICKING **DR Congo**

As young girls are rescued from sexual abuse or human trafficking, they are put on the pathway of healing. As our missionaries share the Gospel with them and prepare them for the next chapter in their lives, self-support becomes very critical. One quick way for the girls to earn income is through knitting baby clothes for sale. This gives them financial security so they do not need to return to their former way of living.

\$5
per girl

\$20
for a month
of training

TRAIN A NURSE **Pakistan**

Nurses are an integral part of the team at Bach Christian Hospital where over 60,000 outpatients are cared for each year. Since most nurses arrive with minimal education, training is necessary to meet the high standards of care at Bach.

TEACH A WOMAN TO READ **India**

When a tribal woman learns to read, the whole family improves nutritionally, medically, financially, with less violence and more love as the family accepts Jesus Christ and the Bible. We work with our partner, Glad Tidings India, to teach 450 women per year in the Bargarh tribal area through Indian evangelists. There are 225 women who have accepted Christ in our project's first year!

FREE A WOMAN FROM ILLEGAL BREWING Kenya

Many women are trapped in the dark world of illegal brewing, putting their entire family at risk. Our partner trains women in sustainable occupations and shares the freedom, forgiveness, and hope God provides. Already, over 1,000 women have been transformed, impacting their families and bringing a wave of change to their entire community.

\$60
per woman

TEACH A WOMAN TO SEW India, DR Congo, Philippines, Laos, Zimbabwe

Learning to sew gives a skill that brings self confidence and worth. A gift of a sewing machine moves a woman forward to become a provider in her household. Through our partner ministries, she will learn how to invest, give, and help others get a new start.

\$150
per sewing

BIBLES FOR NEW CHRISTIANS **DR Congo, Peru**

Our missionaries in the DR Congo and Peru work with many families who are new followers of Christ. Many do not have a copy of God's Word in their native language. A Bible in the hand of believers brings truth, hope, and opportunities to further the Gospel.

FURNITURE FOR MINISTRY **Afghanistan, Philippines**

A church doing outreach and a school teaching English are hindered by the lack of chairs to do ministry. Professionals in Afghanistan depend upon this ministry to improve their English skills. Pastors in the Philippines are passionate about church planting and see these chairs as a resource that will be used time and time again for the expansion of God's kingdom.

BUILD OR EQUIP A CHURCH **Philippines, Argentina**

For a small investment, you can build a very simple church building in an area where no church exists or you can equip it for worship with keyboard, guitar or sound equipment, etc.

Support a Pastor

MEDICAL/DENTAL/EYE CARE Philippines

Church leaders often forgo their own medical needs to invest in their church family. Many suffer immensely because of a lack of dental, vision or medical care. Yet, a simple thing like eye glasses or replacement of damaged teeth and medical checkups can make a great difference in ensuring that a pastor keeps serving the people.

SEEDLINGS FOR FARMING Philippines, Thailand

Indigenous pastors often need a second income to feed their families. With a supply of fruit or vegetable seedlings, pastors can grow crops to support their families and ministries.

\$100
per month

SUPPORT A PASTOR OR SEMINARY STUDENT Haiti, India, Latvia, Lebanon, Mexico, Philippines, Costa Rica, and Turkey

We support students at seminaries and new pastors in various countries. Educating and empowering indigenous pastors is a more cost-effective and strategic way to take the Gospel to other cultures and people groups.

Help Local Homeless

SOCKS AND UNDERWEAR **Pomona**

No socks on cold days is hard on our homeless community. Through our Tuesday morning clothing ministry, we are able to provide these essential items along with gently used clothing, shoes and hygiene items.

\$10
per package

GROCERIES FOR FOOD PANTRY **Pomona**

Each month, more than 2000 low-income and homeless persons receive food from the Beta Center Food Pantry on our campus. Every dollar is leveraged by purchasing from the LA Food Bank where food averages 50 cents a pound.

\$10
for 50 lbs
of food

\$10

HOMELESS CARE PACK **Pomona**

Packs for the homeless include snacks, bottle of water, toothpaste and toothbrush, washcloth or wipes, socks, deodorant, and other hygiene items.
