## A Christian Response to CA State Curriculum

TODAY, 12:45pm

In 2016, the state of California passed the Healthy Youth Act in regard to comprehensive sex education in our state. If you pay taxes, you are paying to implement this new curriculum. If you have students in public school, this curriculum is changing the landscape of what is taught about gender, sexual orientation, abortion, contraception, and marriage. This law requires mandatory curriculum compliance for 7th and 9th grades and is optional for 5th and 6th grades. If you would like to know more about what is being taught, you are invited to this light lunch and forum with Pastor Lisa and public school teachers from our church in H100 today, May 5, at 12:45pm. Nursery care is available for ages 5 and under (please pack a nut-free lunch). Childcare is provided for 1st- 6th (6-12) in F105, beginning at 12:45 with a movie and popcorn. Content and discussion is advisable for adults only.
