## New Community

Do you know a teen who is looking for a new type of learning experience? Is traditional high school not a good fit? New Community Academy is a small, Christian high school on our Purpose campus that helps students find a new love of learning and a home away from home in our family environment. We are enrolling now for the next school year and we'd love to find a place for your student to belong. In the lobby this morning, you can meet some of our students and get more information. ## California Public School Education Awareness Forum

Sunday June 9, 11am

Recently, the state of California has passed both The Healthy Youth Act (Grades 5/6th, 7th, 9th) and a new Health Framework (Grades K-12) in regards to comprehensive sex education in our state. If you pay taxes, you are paying to implement this new curriculum in our public schools. This curriculum is changing the landscape of what is taught about sexuality, gender orientation, abortion, and contraception. Due to many requests, Pastor Lisa will offer another presentation of this material on Sunday, June 9 at 11am in H100. Content is advisable for adults only. Nursery and children's ministry is available for kids. [denised@purposechurch.com](mailto:denised@purposechurch.com)
