*Helen Keller*

*"I will go anywhere provided it is forward."*

### Deuteronomy 1:22-46

*"Success should be measured not so much by the position one has reached in life as by the obstacles which one has overcome while trying to succeed."*

*Booker T. Washington*

*“Often the Christian community feels that the ability to see an obstacle is the mark of maturity and insight. Usually, problems are the easiest things to see. The sad truth is that many of us look for problems, then use them as an excuse to stay right where we are. God wants people to see beyond the difficulties and who give encouragement to those facing challenges.”*

*John Maxwell*

*“Before any great achievement, some measure of depression is very usual... this depression comes over me whenever the Lord is preparing a greater blessing for my ministry.”*

*C.H. Spurgeon*

We invite you to spend time daily reading and applying God's word to your life. The SOAP study method is a simple yet powerful tool to guide you into deeper understanding and life application of the Bible. An introduction to the SOAP method follows on the next page. Come to the Connect Center today to find out more about how to get started using the SOAP method in your personal time throughout the week.

# DAILY BIBLE READING AND SOAP STUDY

*“All Scripture is God-breathed and is useful for teaching, rebuking, correcting, and training in righteousness” - 2 Timothy 3:16*

*God has given us the Bible as a primary tool for our spiritual growth. Studying the Bible is more than just gaining information. The Bible is alive and we grow into the likeness of Jesus when we spend time hearing from God and responding to Him. Whether this is your first time reading this book of the Bible or you have studied Deuteronomy numerous times in the past, the SOAP study method is a simple, yet powerful tool to guide you into deeper understanding and life application as you read the Bible.*

*If the SOAP method is new to you, here is some information to help you get started this week. SOAP stands for Scripture, Observation, Application, Prayer. We have designed SOAP study pages and growth binders to help you make Bible reading and application a part of your daily life. Come to the Connect Center or Purpose Store in the lobby to see if these materials would be helpful to you. In addition, we have a video with some of our pastors to help you get more out of the SOAP method. You can access the video at [PurposeChurch.com/SOAP](http://PurposeChurch.com/SOAP).*

*One other resource to help you understand what you are reading in Deuteronomy is a free 7-minute video introduction and overview of Deuteronomy. To access this video and other resources go to [thebibleproject.com/explore/deuteronomy/](http://thebibleproject.com/explore/deuteronomy/)*
