New Community Academy

Do you know a teen who is looking for a new type of learning experience? Is traditional high school not a good fit? New Community Academy is a small, Christian high school on our Purpose campus that helps students find a new love of learning and a home away from home in our family environment. We are enrolling now for the next school year and we'd love to find a place for your student to belong. In the lobby this morning, you can meet some of our students and get more information. newcommunityacademy.org
