Mental Health Workshop

Your mental health is important. Mental health includes our emotional, psychological and social wellbeing. Mental health is important at every stage of life, from childhood to adulthood. It affects how we think, feel, act, handle stress, relate to others and make choices, and it impacts our spiritual life. If you or someone you know suffers from mental health issues, you are not alone! We are ready to support and encourage you. You are invited to our 2nd mental health workshop this coming Saturday, February 29 at 9AM in H100. Through this workshop, we will simplify the complexity of understanding mental health for everyday living. denised@purposechurch.com

Special Business Meeting

A special business meeting is being called for all members of Purpose Church on Tuesday, February 25, 2020, at 7pm in the Worship Center to discuss the sale of a single-family residence that was deeded to the Church as a "Life Estate." The donor passed away late in 2019 and the Church will be selling the property. The purpose of this special business meeting is to authorize that sale so it can happen as soon as possible after estate matters are resolved.

Night of Favorites

Our very own Celebration Choir and Orchestra will present their annual Night of Favorites concert on Sunday, March 22 at 6pm right here in our Worship Center where they will present a concert of their favorite songs from 2019. This is a great event to invite your family and friends to attend as it is one of the choir's favorite concerts of the year. Childcare will be provided through age 5.
