ASK

1- How does it make you feel to know that God loves taking care of His kids?
2- How can birds and grass remind us of how God takes care of us? Matthew 6:26, 30
3- When we start to worry, what can we do instead?

4

PRAY

Dear God,
Thank you so much that you know what we need and you love to provide for us! Help me to choose thankfulness instead of worry. Amen.

5

DO

Make a thankfulness turkey complete with thankful feathers! Download the craft from our website and print it out. Color the turkey and feathers and cut them out. Write what you are thankful for on the feathers. You can send us a picture at kids@purposechurch.com! This craft is the perfect thing to bring to the thanksgiving table this year, where you can share not only your art, but also things you're thankful God had given you!
