*Gifts that
Make an Impact*

2020

Choose a Gift, Change a life!

The gifts in this year's catalog were uniquely chosen to have the greatest impact on children, families, and communities. Your gifts will be delivered around the world by Purpose Church missionaries and mission partners in the field who know the people being served. Each gift you choose will bring hope to someone in need.

How to choose your gifts:

1. As you look through the pages in this catalog, select the gifts that touch your heart.
2. Complete the My Gift Order Form on page 15.
3. Select one of our three easy payment options.
4. To honor someone by sending a gift in their name, pick up a customizable note card to let them know of their honorary gift.

Help Local Homeless	14

Change a Child's Life

As little as \$1 can change a child's life through these partners. This is a great opportunity to encourage our children to give to impact the life of a child in need in another part of the world.

CHRISTIAN BIBLE SCHOOLS **India**

With almost 40 percent of its population under 18 years of age, ministry to children and youth is an important strategy in seeing India's unreached children come to faith in Christ. Through Christian Bible Schools (CBS), our partners are able to take children through a 10 day introduction to Jesus and His love for them. This past year over 150,000 children who attended CBS became followers of Christ. For just \$1 you can help change the future of a child with the gospel.

Nutrition for a child **Laos**

Many children in Laos deal with malnutrition and our partners help feed, clothe and educate impoverished children. One way to quickly get these children healthy is by supplying them with milk. For \$1, your gift will provide nutrition for one child for one week.

CHRISTMAS GIFT AND MEAL **Kenya, Laos, Lebanon**

Nearly 400 million children around the world live in dire poverty. Some are confined to refugee camps with little or no hope of returning to a stable life. Our missionaries in Laos and Lebanon work with children for whom a Christmas gift and meal demonstrates love and hope in the midst of suffering. Your gift will help our missionaries share the love of Christ this Christmas with a child.

MEDICAL CARE FOR A CHILD

Haiti

Many children in Haiti go undiagnosed with severe medical problems due to lack of access to adequate medical care. When our medical missionary encounters children at her clinic with issues that are best treated at a more advanced facility, she sends the child with a parent to receive care. The cost of transportation and care while at the hospital, though minimal, is excessive for the patients at her clinic. For a small investment you can ensure a child with conditions such as cleft palate or heart issues can be cared for by specialists.

SCHOOL SUPPLIES FOR A CHILD

Laos

Help a child get established in school by supplying them with a school bag with supplies. Some of these children would not be able to go to school without outside assistance.

SEND A CHILD TO CHRISTIAN CAMP

Pakistan

Many children discover who Jesus is and develop a closer relationship with Him at Christian Camps. Families will eagerly send their children if the camp fees are covered, so this is a strategic gift for building God's Kingdom.

CELEBRATION AND GIFT FOR AN ORPHAN

Kenya, DR Congo

At an orphanage, one of the few times a child receives something new, including clothes, is during Christmas. Ensure that each child receives a present and a time to celebrate through your gift or support for a vulnerable child.

Provide for School

\$1
per child

SATELLITE SCHOOL FOR CHILDREN Middle East and North Africa

With the advent of war and unrest, millions of displaced children have no opportunities to attend school. Our partner works on the goal to give every child in the Middle East a brighter future. SAT 7 Kids provides daily educational satellite broadcasts for children to learn while they wait to return to their homes. Just \$1 keeps a kid in school for one year.

HELP A GIRL STAY IN SCHOOL AND TETANUS FREE ZIMBABWE

\$10
per child

Without a solution to manage their monthly cycle, one in ten girls in Sub-Saharan Africa may be infected with tetanus each year, many dying for lack of appropriate medical care. Additionally, girls in schools often miss several days each month because of the lack of supplies. During their cycle women resort to using discarded newspapers or banana leaves which often carry the tetanus bacterium. Provide a reusable and discreet sanitary kit to a young girl.

SCHOOL UNIFORMS AND SHOES

**Congo, Kenya, Laos, and
Zambia**

In some countries, children are not allowed to attend classes unless they have the proper school uniform and shoes. Impoverished children delay schooling until the family can afford the uniforms; often, completely missing out on an education. Our partners purchase shoes and clothing for students who can then get a start on their education.

\$30
uniform and
shoes

SPONSOR A CHILD FOR A MONTH
Kenya, Laos, Mexico, Pakistan, Thailand,
DR Congo, Zambia

Our partners work with at-risk children to provide education, meals, health and hygiene, and sometimes a home. For \$40, you can help a child for one month. With a yearly commitment, you can give lasting security to that child.

\$40
per child

SUPPORT A TEACHER
Zambia

Purpose Baptist Christian Academy serves 145 underprivileged students who are taught by trained local teachers. These teachers meet the required government standards and are paid from the income generated through school fees and the support of partners. Your support will help the academy continue to pay their qualified staff each month and help ensure that children get a sound education.

\$100
per teacher

Feed a Family

CHICKENS Indonesia, Zambia

From just one hen, hundreds of chickens can be produced in a year. Raising chickens provides income and protein to help impoverished families feed their children and keep them in school.

\$5
per chicken

\$5
per child

FOOD FOR MALNOURISHED CHILDREN Haiti

Our missionary, Aleece, is astounded by the high numbers of malnourished children that come to her clinic barely hanging onto life. An inexpensive way to help these children is to provide Medikal Mamba, which is a nutritional peanut butter like therapeutic food. The mamba is given to severely undernourished children at the mission clinic and gives them an opportunity to thrive again. Your gift will help save a child's life in Haiti.

GOATS AND PIGS Haiti

One way for resource poor children to go to school without sponsorship is to provide the family with income producing livestock, like goats and pigs. Your gift of an animal brings dignity to the family, needed nutrition, and educational opportunities for the children.

\$50
per animal

\$20
per package

**COVID CARE PACKAGES
OF FOOD FOR FAMILIES
Indonesia, Mexico**

Due to the pandemic many people have lost their jobs. Our ministry partners are helping those suffering extreme hardships by providing packages of food.

\$250
toward
water wells

**CLEAN WATER
India and Zambia**

600,000 children under the age of five die in India each year because of inadequate water supply and poor sanitation. With our partners in India and in Zambia, we can provide wells with clean water which are sealed against contamination. Hundreds of families will benefit from each clean water source.

Empower Women

In many countries, women are still stigmatized as property and exploitable. Women can quickly change their status in life by gaining an education or a vocational skill.

TRAIN A NURSE **Pakistan**

Nurses are an integral part of the team at Bach Christian Hospital where over 60,000 outpatients are cared for each year. Since most nurses arrive with minimal education, training is necessary to meet the high standards of care at Bach.

\$20
per nurse

PREGNANCY SUPPLIES **Haiti**

Nearly 67 out of every 1000 children die before the age of five in Haiti due to disease and malnutrition. With such alarming stats our missionary works hard at providing proper prenatal care and nourishment for babies at her clinic. This is accomplished through educating pregnant mothers about nutrition, self care and the benefits of breast-feeding for their newborn. In addition, a manual breast pump is provided to new mothers. Your gift will help purchase breast pumps and ensure that training and care of pregnant mothers takes place.

\$25
per mother

TEACH A WOMAN TO READ **India**

When a tribal woman learns to read, the whole family benefits. Their children get interested in studying, family health and nutrition improves and they are able to find better job opportunities. Most importantly, they are able to read God's word and many become followers of Jesus.

\$25
per student

**FREE A WOMAN FROM
ILLEGAL BREWING
Kenya**

Many women are trapped in the dark world of illegal brewing, putting their entire family at risk. Our partner ELI trains women in sustainable occupations and shares the freedom, forgiveness, and hope God provides. Includes a week of training, meals, lodging, trainers and follow up to encourage participants.

\$105
per course

**TEACH A WOMAN TO SEW
India, Zimbabwe**

Learning to sew gives a skill that brings self confidence and worth. A gift of a sewing machine moves a woman forward to become a provider in her household. Through our partner ministries, she will learn how to invest, give, and help others get a new start.

\$150
per sewing
machine

Reach a Community

\$12
per Bible

Tamil Language Bible Restricted Countries

In tribal communities in India, few people have Bibles, let alone in their own language, so our partners are excited to share and distribute Bibles in the local Tamil language.

FOOD AND BLANKETS FOR GUARIJIO PEOPLE

Our missionaries in Mexico drive six hours into the mountains to reach the Guarijio people who have been devastated by the loss of work and family by COVID-19 along with extended drought that affected their crops. Our partners bring life-saving gifts of food and blankets along with the Gospel.

\$20
per blanket

EMERGENCY SHELTER Laos

Our missionaries provide emergency care for vulnerable children who are prone to street violence, drugs and human trafficking. Every day children come to the shelter for a shower, meals, and to learn. The ongoing burden of renting is always on the minds of those who lead the ministry. Helping to pay a portion of the monthly cost allow our missionaries to continue their ministry to children on streets.

\$340
Per Week

Support a Pastor

\$20
per 10
seedlings

SEEDLINGS FOR FARMING Philippines, Thailand, Zambia

Indigenous pastors often need a second income to feed their families. With a supply of fruit or vegetable seedlings, pastors can grow crops to support their families and ministries.

TRAIN FUTURE PASTORS Latvia

The Baltic Pastoral Institute provides a training camps that help High Schoolers to learn about God, themselves and whether God may be calling them to get involved in church ministry. These camps have been helpful in raising up young pastors for churches without pastors and for planting new churches.

\$50
per share

MEDICAL/DENTAL/EYE CARE
Africa, Asia, Philippines

Church leaders often forgo their own medical needs to invest in their church family. Many suffer immensely because of a lack of dental, vision or medical care. Yet, a simple thing like eye glasses or replacement of damaged teeth and medical checkups can make a great difference in ensuring that a pastor keeps serving the people.

\$15
per person

EDUCATE A PASTOR
Middle East, North Africa

The Arab Baptist Theological Seminary educates pastors from the Middle East and North Africa who are working under very difficult circumstance. Many students come from countries where Christian persecution is significant and where there are very few Christians. Getting a theological education helps them to be better prepared to serve in their home countries.

\$60
per pastor

Help Local Homeless

SOCKS/UNDERWEAR/ BLANKETS Pomona

No socks on cold days is hard on our homeless community. Through our Tuesday morning clothing ministry, we are able to provide these essential items along with gently used clothing, shoes and hygiene items.

\$10
per package

GROCERIES FOR FOOD PANTRY Pomona

Each month, more than 2000 low-income and homeless persons receive food from the Beta Center Food Pantry on our campus. Every dollar is leveraged by purchasing from the LA Food Bank where food averages 50 cents a pound.

\$10
for 50 lbs
of food

\$10
per pack

HOMELESS CARE PACK Pomona

Packs for the homeless include snacks, bottle of water, toothpaste and toothbrush, washcloth or wipes, socks, deodorant, and other hygiene items.
