Dear Jesus,
Please help me to understand your love for me more and more every day. Help me to put my faith in you. Help me to share my faith with others.

DO

Family Prayer Time. Ask God where He might want you to have faith. After a few minutes, take turns as a family praying simple sentences, asking God for faith in these areas. So each of you will finish this sentence "God, I ask for faith about _____." Spend time asking God for more faith this week!
