THE SPIRITUAL _____ AND _____ OF LIVING IN CALIFORNIA!

“With the latest COVID restrictions and shutdowns, ever increasing taxes and failing infrastructure, individuals and major corporations are moving out of California in record numbers. The promised lands of Texas, Idaho, Tennessee and Florida seem to be much more appealing than the golden state. I am a lifelong proud southern Californian, and even I was allured by the mansions on Texas Zillow that our kids could grow up in, the low taxes and more value on personal liberty. So, why stay?”
