Building for Generations

*The 150th
Anniversary Campaign*

The 150th Anniversary Campaign is a multi-year effort to update existing buildings to better use the space we have, while presenting a more contemporary campus that is inviting to people in our region. We will complete the renovations in phases as funds are raised, allowing us all to see how our gifts are “Building for Generations.” The 150th Anniversary Campaign will impact all of us who call Purpose Church home, and others who are looking for purpose in their lives that comes only from following Christ.

Your gifts are vital to the completion of each stage of the work. If you’d like to make a pledge or give today, please go to purposechurch.com/campaign.
