LESSONS FROM EXODUS, LEVITICUS, NUMBERS, DEUTERONOMY

Pastor Glenn Gunderson

## TABERNACLING IN THE WILDERNESS

*"I hear people say, 'I don't have to go to church to be a Christian', and they are absolutely right. Salvation is through faith alone in Christ alone. But you don't have to go home to be married, but stay away long enough and your relationship will be affected."*

*Dr. Tony Evans*

## **WOMEN'S BIBLE STUDY**

Women of Purpose is launching a new Bible Study - Bless This Hot Mess: How Jesus Helps Us With Our Emotions. Jesus really does make a difference in giving us the tools to control our emotions rather than let them control us. Join Pastor Lisa Toney each Thursday in H100 from 9:30-11:30AM, as she teaches on a new emotion each week, from September 23rd - November 18th. Come discover how God speaks through the Bible to give us strategies to navigate all our emotions. There will also be a study via zoom. ## **150TH ANNIVERSARY CAMPAIGN**

The 150th Anniversary Campaign is a multi-year effort to update existing buildings to better use the space we have, while presenting a more contemporary campus that is welcoming to people in our community. We will complete the renovations in phases as funds are raised, allowing us all to see how our gifts are "Building for Generations." The 150th Anniversary Campaign will impact all of us who call Purpose Church home, and others who are looking for purpose in their lives that comes only from following Christ. Your gifts are vital to the completion of each stage of the work. If you'd like to make a pledge or give today, please go to [purposechurch.com/campaign](http://purposechurch.com/campaign).
