## COMPLAINING IN THE WILDERNESS

THEY WERE \_\_\_\_\_.

*"If you find yourself about to complain, think of your many blessings and rejoice! Don't give the devil a ride today, because then he'll want to drive full-time. So, kick his attitude of complaining spirit out of your blessed zone. Don't give the devil NOTHING!!"*

Anita R. Sneed-Carter

THEY HAD A LACK OF \_\_\_\_\_.

*"My parents always used to tell us not to complain about things but do something about them, so 'Can't is not an option' was almost a way of life."*

Nikki Haley

*"Many Christians complain about the little things. We don't like the way a ministry is being handled, or we disagree with something in the worship serve, or we have a problem with one of our spiritual leaders. So we grumble. We do the same thing at home. We complain about the brand of cereal our parent bought or the jobs that have been left unfinished or the quality of the living room furniture. All of this complaining disturbs our relationships and hinders our witness."*
