## Marriage Prayer:

Jesus, Your love stands as the model for our lives. May Your example of selflessness, servanthood, and unconditional love be echoed in our relationship as husband and wife. May You be better known in our home, and better known by others as a result. May we honor You together.

May we learn more and more about your love for us so that we can share that love with each other. Help our love for one another to be patient, kind, and forgiving. Help us to not keep records of wrongs, but rather delight that you have given me the gift of my spouse. Help us to be honest with one another and lean into each other for support, encouragement, and strength. Help me to be my spouse's biggest cheerleader and champion them in this world.

Thank you for modeling love so sacrificially to us, Jesus. Help us to be more like you. Turn our areas of selfishness around so that we can be attentive to how to be a blessing and encourage one another. Fill our home with love. Root our relationship in your love.

Help us to model your kind of love to a watching world. Amen.

Then make my joy complete by being like-minded, having the same love, being one in spirit and of one mind Philippians 2:2
