Marriage Prayer:

Father, You have given us to each other to serve, honor, and love. In this relationship, brought together in You, may we understand what it is to be known. As our hearts are sealed together for life, may we be bonded together in You. May the flame of our love burn healthy and unhindered, pure in Your sight, guided by Your wisdom.

Help us to be patient and kind with one another. Help our words to be intentional and edifying. Direct our focus and our attention to our beloved spouse. Oh Jesus, open our eyes so that we can see the needs in our own homes. Help us to have a servant's heart.

Give us eyes to see those in need in our own neighborhood and community. Help us to be a couple that delights in serving together. Give us a passion to serve. Give us an opportunity to serve. May we be your hands and feet. Help our marriage to represent your heart for this world. May we be Jesus to a watching world. Amen.

Dear friends, let us love one another, for love comes from God. Everyone who loves has been born of God and knows God. 1 John 4:7
