PURPOSE CHURCH

WELCOME TO PURPOSE CHURCH!

Are you new to Purpose Church? We are so glad you are here! We want to meet you, answer any questions you might have, and help you get connected. Come to the Connect Center located in the Lobby after the service to meet our friendly team!

WE INVITE YOU TO JUMP INTO JESUS ON EVERY PAGE THIS WEEK

Each week we are focusing on one of the 66 books of the Bible. Here is how you can actively engage this week:

SERMON

Ask the Holy Spirit to speak to you in three ways:

HEAD: Gaining insights and information to unlock deeper understanding of the Bible.

HEART: Helping you see how every book of the Bible points to Jesus so you can know Him more intimately, love Him more passionately, and walk with Him more faithfully.

HANDS: Applying His Living Word to every aspect of your daily life and relationships.

DAILY BIBLE READING

God wants to speak to your head, heart, and hands not just on Sundays, but each and every day. We have provided a Daily Reading Plan with selected passages for you to read each day. We encourage you to use the SOAP study method, a simple yet powerful tool, to help guide you into deeper understanding and life application of the Bible. Daily Bible Reading Plan booklets are available at purposechurch.com/bible to guide you through the whole year.

WEEKLY LIFE GROUP

WE ARE BETTER TOGETHER! You will get much more out of this study if you join a Life Group. You and your group members will bring what you learn from your daily reading and sermons to discuss and encourage one another to live out these truths. To join a group for any part of this study, go to purposechurch.com/groups or contact us at groups@purposechurch.com

PRAYER

We would love to pray with you! Please stop by the prayer room after the service and we can pray with you. Or submit a prayer request online. purposechurch.com/prayer

“lizards’ blood, swines’ teeth, putrid meat, stinking fat, moisture from pigs’ ears, milk, goose grease, donkeys’ hoofs, animal fats from various sources, excreta from animals - including human beings, donkeys, antelopes, dogs, cats, and even flies.”

- *Egyptian Papyrus Ebers manuscript as translated in S.E. Massengill’s “A Sketch of Medicine and Pharmacy”*

Acts 7:22

“Both the writer of the Torah and the millions of ancient Israelites slaves would have absorbed the medical knowledge and traditional treatments of the Egyptians during the centuries of Israel’s captivity. However, a close examination of the first five books of the Bible written by Moses does not include a single reference to these ‘deadly’ medical cures of the pagan Egyptian society in which Moses and the Israelites were raised. Rather, we discover in the pages of ancient Scriptures the most advanced sanitation instructions and the most sophisticated medical knowledge that the world has ever known, until the explosion of medical research in this century following World War 1.”

“Any intelligent reader must ask this question: Where did Moses obtain his incredibly advanced medical knowledge? Obviously he did not receive this accurate medical knowledge from the Egyptians or any other pagan culture of that time. This advanced and accurate knowledge reveals a profound understanding of germs, infectious transmission routes, human sanitation needs and many other medical advances unknown outside the Bible during the last thirty-five centuries”.
