POSITION DESCRIPTION

Videographer & Video Editor

Scope of Work: Record and edit video projects for Purpose Church.

Reporting Relationship: Reports to the Production Director.

Specific Duties:

1. Record and edit weekly video projects to be used online and in Purpose Church services.
2. Ensure projects are completed with high quality, accuracy and on schedule.
3. Stay up-to-date with video trends and styles and technologies.

Requirements:

1. Must make Purpose Church your home church and agree with the vision, mission, and value statements of Purpose Church.
2. Must agree with and abide by the Statement of Faith and Church Practice of Purpose Church.
3. Must align with the Culture Values of Purpose Church
4. Minimum of 2 years experience in video recording and editing and or education in film or video production.
5. Proficient in recording with digital video cameras and lenses. (Blackmagic, Canon, Sony, Nikon)
6. Proficient with non linear editing software, specifically Adobe Premiere and DaVinci Resolve.
7. Proficient in documentary style recording and studio recording setups including lighting and audio equipment.
8. Familiar with both Mac OS and Windows.
9. Must be able to manage time, problem solve and multi-task.
10. Must have strong interpersonal communication skills.

Terms:

This is a part-time (25 hours per week) position. Sick time will be accrued according to State Law.
