### REFLECT + DISCUSS:

1. Read 2 Samuel 1:11-12. Share about the last time, or a significant time, you faced grief. How was your process of dealing with it different or similar to David's experience?
2. Read 2 Samuel 1:17-27. What do you find interesting about David's choice of words as he processes the deaths of Saul and Jonathan and what are some healthy ways we can cope with loss and grief?
3. Can you share about a time you felt overcome with sadness, grief, or loss and simultaneously experienced the presence of God?
4. Read Psalm 137. Why do you think God felt it was important to preserve and include these words in the Bible and what does that tell us about how God wants to be involved in our grief and suffering?

**Fill in the blanks:** grief, change, complicated, loved, injustice
